TOURNAMENT TEAMS

*If the City of Dillon Parks & Recreation Department decides to participate in sports tournaments after the regular season, then a tournament team will be selected.

*At or around the last week of the regular season the tournament team will be selected.

*All head coaches will select and vote on players. Assistant Coaches cannot nominate or vote.

*Each head coach will nominate members of his or her team that they feel best represent the team and the community.

*Any coach who has been notified of the tournament team vote and selection, and does not show up, will void his/her right to vote on the team. The remaining head coaches will nominate members off of that team.

*The first 12-15 (depending on the sport) nominees with the most votes will be put onto the tournament team.

***Example: If there are 4 coaches then the max number of votes that one player could get would be 4.*

*Alternates may be picked but are not mandatory.

*The head coach for the tournament team will be drawn out of a hat. **All head coaches names will be put into the hat. The head coach will then pick his assistants.

*All players must be able to provide proof of age and parents must sign a parents code of ethics and medical release before the player can play in a tournament.
